

## **Cisco rewards NextiraOne teams across Europe for significant achievements in last 12 months**

**Communications experts recognised with numerous awards for Unified Comms, mobility and customer service excellence**

**Paris – 23 April, 2008.** Cisco has recognised seven of NextiraOne’s European teams for their excellent performance across the continent in unified communications, mobility, customer service and innovation. At Cisco’s annual Worldwide Partner Summit in Hawaii this month, the company issued the following special awards to NextiraOne:

NextiraOne France: awarded Cisco Unified Communications Partner of the Year by Cisco France for its extensive IP communications expertise and sales capability, especially in the commercial and public sectors

NextiraOne Germany: selected by Cisco Germany as the Mobility Partner of the Year in recognition of its successful Mobility Client Solutions sales approach

NextiraOne UK: recognised as having delivered the most Outstanding Customer Satisfaction in the United Kingdom

NextiraOne Switzerland: awarded the Cisco Innovation Award of the Year for the European Alpine region

NextiraOne Portugal: recognised with the Mediterranean Solutions Partner of the Year and the Portuguese Gold Partner of the Year awards

NextiraOne Poland: received two awards – Technology Excellence for Unified Communications and Enterprise Partner of the Year

NextiraOne Czech Republic: recognised as Enterprise Partner of the Year

Rafi Kouyoumdjian, CEO of NextiraOne Europe, said the haul of awards from Cisco underlined the company’s position as a leading communications expert in Europe.

“Congratulations to all the teams that were recognised by Cisco, and to all our country teams that continue to strive for excellence,” he said. “These accolades just go to show that NextiraOne continues to lead the way in providing unbeatable business communications services across Europe.”

"We had the honour and privilege of recognizing NextiraOne as a Cisco Partner Summit award winner for its outstanding performance across five award categories, Unified Communications, Mobility, Customer Service and Innovation," said Thierry Drilhon, vice president of worldwide channels for European markets at Cisco. "These awards recognise NextiraOne's achievements in designing, implementing, managing and supporting communication services using Cisco technologies. The award highlights NextiraOne's performance and success, as a Cisco channel partner, in seven European countries during 2007."
